

BRITISH ENGLISH AND AMERICAN ENGLISH

How aware are you of the differences between British English and American English?

Do you think you know all about it and that you can distinguish the two without fail?

Okay, here's a challenge for you then. Do one of the online exercises below. Determine up front if you want to do the British English one or the American English one and open the corresponding version.

[British English](#)

[American English](#)

Tip: it's best if you open 2 copies of the same exercise side by side, so as to minimize the amount of scrolling. There's still a fair bit of scrolling involved though. Sorry about that!

GOOD LUCK!
